Minutes for December 17, 2009

In attendance: Chairman Pagel, Commissioners Goulette, Borowiec, Beaulieu and Grise. Also present Atty. Rooke.

Minutes for November are presented to the Board. Commissioner Beaulieu makes a motion to approve. Commissioner Grise seconds. Motion approved 5-0.

Hearing for Dugout Cafe, 134 Meadow St- Police report of possible violations of Chapter 138: Section 69. Sale or delivery to intoxicated persons. In attendance: Atty. Peter Murphy and Det. Michael Dion. Atty. Murphy informed the Board that his clients will stipulate to the facts in Det. Dions report. The patron referred to in the report is no longer allowed in the establishment. All the employees will become TIPS certified within the next 2 weeks. The current owner/manager is getting older and has health issues so they have applied for a Change in Manager. Chairman Pagel verifies that the Change of Manager application has been received and also that there have not been any previous violations brought before this Board. It seems like they are trying to be proactive in this situation. Commissioner Beaulieu makes a motion that there was a sufficient finding of a violation of Chapter 138: Section 69. Sale or delivery to intoxicated persons and therefore asks that there be a 1 day suspension to be held in abeyance for 6 months pending no further violations. Commissioner Grise seconds. Motion approved 5-0.

Inactive license hearings for Collegian Court, 89 Park St. In attendance: Dorothy Szpara and Linda Anthony. Ms. Anthony informs the Board that they are actively marketing the business and have an appointment on Tuesday. Chairman Pagel informs the Board that the renewal application has not been received as of this date and that there are tax issues that need to be resolved. Atty. Rooke strongly urges the owners to contact their attorney to rectify this situation. The clock is ticking on the renewal application and if it is not received as soon as possible the license will expire.

Inactive license hearings for Mic, Inc, 4 Hampden St. In attendance: Atty. Steven Krevalin of Bacon Wilson representing Chicopee Crossing and Mr. Peter Lapointe. Atty. Krevalin has brought the renewal fee to this meeting and reminds the Board that there was a transfer application submitted earlier this year and was approved by this Board. It was sent to the ABCC for approval and has not been approved as of this date. After speaking to an ABCC investigator who stated the application was still under investigation and there was a problem but could not discuss it with Atty. Krevalin as he was not the current owner. Atty. Krevalin has spoken to Joanna Ford at the ABCC and a hearing has been scheduled for January of 2010 to resolve the issues surrounding this license. Mr. Lapointe informs the Board that even though it doesn't look like anything is happening on the actual site yet there has been progress. There are a number of applications that have been submitted to the Mass Highway Department. These applications are in the final stages of processing and approvals and they expect the project to go out for bid soon. They are expecting to break ground as soon as there is no longer any frost. Chairman Pagel questions the letter we received with the renewal application about applying for a transfer soon. Atty. Krevalin informs the Board he was not aware of that and there is no other application in progress at this time.

Inactive license hearings for Chazzy, B's, 47 Main St. In attendance: David Burnham. Mr. Burnham informs the Board that the property has been sold. He has received calls concerning the license but has yet to return them. He will be following up on them.

Inactive license hearings for Y Cafe, 729 Chicopee St. In attendance: Atty. Peter Fenton, Claire Robillard, Gary Miller and Dave Remillard. Atty. Fenton informs the Board the Ms. Robillard is going to be re-opening her establishment at the same location and that Mr. Miller and Mr. Remillard are going to help her run the establishment and become part of her corporation. Chairman Pagel informs the interested parties that he has observed a sign indicating new management and that this is not the case as they have not applied for any changes. Ms. Robillard informs the Board that she is going to be applying for a Change of Manager and Officers/Directors. Chairman Pagel also inform them that a Certificate of Inspection can not be issued until they are ready to open and that there will not be any licenses issued until we receive a valid Certificate of Inspection.
